Any idea what this is about? As a practical matter, I'm on leave this afternoon and Monday through Wednesday of next week, so I'm not sure I'd have time to speak with him even if you agree I could and should. (By the way, I can explain his reference to the First Amendment if you're curious.)

Dear Walter:

Trusting your embrace of the First Amendment right to petition, and respecting all folks in your shop, who are working hard and creatively on this site,

I have something to discuss with you that I think is your call. I believe I can summarize it in a 10 minute conversation. Jim Boyle, Sharon Kivowitz and others on this site are familiar with the sticky wicket before us and so I further trust that you would involve them in the discussion.

Thank you.

John
